PREFACE

The Genealogical Records Committee of Alliance Chapter, No 642, Daughters of the American Revolution, Urbana-Champaign, Illinois, completed the records of three more cemeteries in Champaign County during this year of 1962-1963.

The Maplewood Cemetery, north of Rantoul, and the Locust Grove Cemetery, generally known as the Mayview Cemetery, were rather large and well-kept. In contrast was the little Dunn Cemetery.

When it was believed that the area of the old Urbana Cemetery, known as Leal Park, in which there are no markers, was to be sold as a building site, Mr. Raymond Lippe, Champaign, Illinois, wrote an article which was published in the local papers. In this article, he stated, "There are over a hundred old cemeteries in Champaign County. Some are gone, some abandoned, and many in the middle of a cornfield. I have thought for years that a burial ground should be sacred and untouched."

Gravestones and their records are disappearing rapidly, and it behooves the members of the Genealogical Records Committees in the various chapters to be diligent in the preserving of these records. We have attempted to do our part in Champaign County in this respect.

The members of the Genealogical Records Committee of Alliance Chapter are: Mrs. Raymond Lippe, Miss Helen Cade, Mrs. R. G. Clapper, Mrs. T. C. Shedd, and Miss Ruth Cade. Mrs. F. E. Richart and Mrs. Stanley Hadden of the Lineage Research Committee also gave valued assistance.

Miss Ruth Cade
Chairman

REPORT

ON THE PROGRESS OF THE WORK

During the year 1881, the work of the Society has been carried on in accordance with the plan adopted at the meeting of the Council in 1880. The following is a summary of the results of the work.

The first object of the Society is to promote the study of the history of the Church.

This object has been accomplished by the publication of the following works:—

1. The History of the Church of England, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881. 2. The History of the Church of Scotland, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881. 3. The History of the Church of Rome, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881.

4. The History of the Church of the East, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881. 5. The History of the Church of the West, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881.

6. The History of the Church of the South, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881. 7. The History of the Church of the North, from the Reformation to the present time, by the Rev. J. H. Newman, D.D., F.R.S., &c. &c. 2 vols. 8vo. 1881.

THE SOCIETY OF THE HISTORY OF THE CHURCH

THE DUNN CEMETERY

The Dunn or Locust Grove Cemetery is located about three miles northeast of Urbana, in the northwest quarter of the northwest quarter of Section 36-29. It may be reached from Route 150 east of Urbana, turning north at the second road west of Mayview cemetery. It is approximately three or four miles north of Route 150, and is on the east side of the road.

At one time the Locust Grove Church was located to the north of the cemetery, while the school was south. Now both are gone. The church was deeded in 1881 by S. K. Dunn and Mary M. Dunn in consideration of the building of a church for Christian worship, conveyed to William Johnson, Timothy McCormick, and Perry Dunn, trustees of the First Christian Church of Somers Township.

It is said that the cemetery was started about 1850, many years before the church and in all likelihood the ground given was given for that purpose by Mr. and Mrs. Dunn at an early date and at first was used largely as a Dunn family burial ground and later used by the community at the church.

The little cemetery is a mass of overgrowth of weeds and vines. It was very difficult to obtain the records, so that possibly some of the stones may have been missed. There were not many stones, so it may be possible that some of the bodies had been moved to other cemeteries.

MAPLEWOOD CEMETERY

(RANTOUL)

The Maplewood Cemetery is located in the Northeast Quarter of the Southwest Quarter of Section 26-22-9, about one and one-fourth miles north of Rantoul, for which city and vicinity it is now the principal burying ground.

It lies just west of Route 45, and when the route was changed a number of years ago, a new entrance was made. A short distance to the west is the Illinois Central Railroad. It is on a decided rise of ground overlooking the countryside for some distance in all directions. It contains about eight acres. It has improved drives, trees, and plantings, and is well-kept. It is planned that a new mausoleum will be built soon.

The majority of the lots in this cemetery are under perpetual care.

The cemetery was started about 1870 by Edward Boehne, then owner of the land, and was laid out and platted in 1874.

THE MOUNT OLIVE CEMETERY

MAYVIEW

The Mount Olive or Mount Olivet Cemetery is located in the southwest quarter of the southwest quarter of section 7-19-10, about one-half mile west of Mayview, and is the principal burying ground of that vicinity. It is about five miles east of Urbana on Route 150, and is in St. Joseph Township.

Mr. Godfrey Sperling of Urbana who in earlier days (1937) made an excellent survey of the cemeteries in Champaign County states that the first portion was staked out in 1871. Wesley Veirs' first addition was plotted November 23, 1895, and the west side addition was laid out May 10, 1930.

The cemetery is well kept, in fact is a beautiful cemetery with many trees and shrub plantings.

Mr. Sperling records 33 veterans of the Civil War, 3 veterans of the Spanish American War, and 2 veterans of the World War, but since his survey in 1937, many other veterans have been buried here.
